State of Wisconsin – Employee Trust Funds Quality Assurance Framework

This Amendment includes scope modifications to Change Order #13, Exhibit 1, Statement of Work dated December 20, 2011.

The purpose of this amendment is to update and outline the tasks and responsibilities that will be focused on during this engagement. The scope of effort has changed, and the following tasks will replace the tasks and scope outlined in the original SOW.

Quantify Activity Diagrams

Deliverables:

- Quantification of the decision points in the activity diagrams, whether the decision point is specifically identified or is implied.
- Where applicable, use the activity diagram to generate a workflow using Business Process Model Notation (BPMN) and quantification of decision points to define the BPMN “Gateways”.
- Use the BPMN to validate the most common path.

Quantify and Validate “Quick Wins”

Deliverables:

- Documentation that validates the proposed improvement.
- Documentation that quantifies the time/effort saved and/or customer service impact derived through its implementation.
- Detail documentation of proposed to-be process.
- High-level implementation strategy for process improvement.

Validate TC weights

Deliverables:

- Updated and validated weights for selected TCs
- Updated population analysis

Project Cost

There will not be any change to the original cost of this effort.
