In the event the Contractor moves or updates contact information, the Contractor shall inform the Department of such changes in writing within ten (10) Business Days. The Department shall not be held responsible for payments delayed due to the Contractor’s failure to provide such notice.

5.0 CONTRACTOR PERFORMANCE: Work under this Contract shall be performed in a timely, professional and diligent matter by qualified and efficient personnel and in conformity with the strictest quality standards mandated or recommended by all generally-recognized organizations establishing quality standards for the work of the type to be performed hereunder. The Contractor shall be solely responsible for controlling the manner and means by which it and its employees or its subcontractors perform the Services, and the Contractor shall observe, abide by, and perform all of its obligations in accordance with all legal and Contract requirements.

Without limiting the foregoing, the Contractor shall control the manner and means of the Services so as to perform the work in a reasonably safe manner and comply fully with all applicable codes, regulations and requirements imposed or enforced by any government agencies. Notwithstanding the foregoing, any stricter standard provided in plans, specifications or other documents incorporated as part of this Contract shall govern.

The Contractor shall provide the Services with all due skill, care, and diligence, in accordance with accepted industry practices and legal requirements, and to the Department’s satisfaction; the Department’s decision in that regard shall be final and conclusive.

All Contractor’s Services under this Contract shall be performed in material compliance with the applicable federal and state laws and regulations in effect at the time of performance, except when imposition of a newly enacted or revised law or regulation would result in an unconstitutional impairment of this Contract.

The Contractor will make commercially reasonable efforts to ensure that Contractor's professional and managerial staff maintain a working knowledge and understanding of all federal and state laws, regulations, and administrative code appropriate for the performance of their respective duties, as well as contemplated changes in such law which affect or may affect the Service under this Contract.

The Contractor shall maintain a written contingency plan describing in detail how it will continue operations and Services under the Contract in certain events including, but not limited to, strike and disaster, and shall submit it to the Department upon request.

6.0 AUDIT PROVISION: The Contractor and its authorized subcontractors are subject to audits by the State of Wisconsin, the Legislative Audit Bureau (LAB), an independent Certified Public Accountant (CPA), or other representatives as authorized by the State of Wisconsin. The Contractor will cooperate with such efforts and provide all requested information permitted under the law.

Authorized personnel shall have access to interview any Contractor's or subcontractor's employee or authorized agent involved with this Contract in conjunction with any audit, review, or investigation deemed necessary by the State of Wisconsin.

7.0 CRIMINAL BACKGROUND VERIFICATION: The Department follows the provisions in the Wisconsin Human Resources Handbook Chapter 246, Securing Applicant Background Checks (see http://oser.state.wi.us/docview.asp?docid=6658). The Contractor is expected to perform background checks that, at a minimum, adhere to those standards. This includes the criminal history record from the Wisconsin Department of Justice (DOJ), Wisconsin Circuit Court Automation Programs (CCAP), and other State justice departments for persons who have lived in a state(s) other than Wisconsin. More stringent background checks are permitted. Details regarding the Contractor's background check procedures should be provided to the Department regarding the measures used by the Contractor to protect the security and privacy of program data and participant information. A copy of the result of the criminal background check the Contractor conducted must be made available to the Department upon request. The Department reserves the right to conduct its own criminal background checks on any or all employees or subcontractors of and referred by the Contractor for the delivery or provision of Services.

8.0 COMPLIANCE WITH ON-SITE PARTY RULES AND REGULATIONS: Contractor and the State of Wisconsin agree that their employees, while working at or visiting the premises of the other party, shall comply with all internal rules and regulations of the other party, including security procedures, and all applicable federal, state, and local laws and regulations applicable to the location where said employees are working or visiting.

The Department is responsible for allocating building and equipment access, as well as any other necessary Services available from the Department that may be used by the Contractor. Any use of the Department facilities, equipment, internet access, and/or services shall only be for project purposes as authorized by the Department. The Contractor will provide its own personal computers, which must comply with the Department security policies before connection to the Department’s local computer network.
9.0 SECURITY OF PREMISES, EQUIPMENT, DATA AND PERSONNEL: The State of Wisconsin shall have the right, acting by itself or through its authorized representatives, to enter the premises of the Contractor at mutually agreeable times to inspect and copy the records of the Contractor and the Contractor’s compliance with this section. In the course of performing Services under this Contract, the Contractor may have access to the personnel, premises, equipment, and other property, including data files, information, or materials (collectively referred to as “data”) belonging to the State.

The Contractor shall be responsible for damage to the State’s equipment, workplace, and its contents, or for the loss of data, when such damage or loss is caused by the Contractor, contracted personnel, or subcontractors, and shall reimburse the State accordingly upon demand. This remedy shall be in addition to any other remedies available to the State by law or in equity.

10.0 BREACH NOT WAIVER: A failure to exercise any right, or a delay in exercising any right, power or remedy hereunder on the part of either party shall not operate as a waiver thereof. Any express waiver shall be in writing and shall not affect any event or default other than the event or default specified in such waiver. A waiver of any covenant, term or condition contained herein shall not be construed as a waiver of any subsequent breach of the same covenant, term or condition. The making of any payment to the Contractor under this Contract shall not constitute a waiver of default, evidence of proper Contractor performance, or acceptance of any defective item or Services furnished by the Contractor.

11.0 SEVERABILITY: The provisions of this Contract shall be deemed severable and the unenforceability of any one or more provisions shall not affect the enforceability of any of the other provisions. If any provision of this Contract, for any reason, is declared to be invalid, unenforceable, or illegal, the parties shall substitute an enforceable provision that, to the maximum extent possible in accordance with applicable law, preserves the original intentions and economic positions of the parties.

12.0 LIQUIDATED DAMAGES: The Contractor and Department acknowledge that it can be difficult to ascertain actual damages when a Contractor fails to carry out the responsibilities of this Contract. Because of that, the Contractor and Department will negotiate liquidated damages, as required by the State of Wisconsin, for this Contract. The Contractor agrees that the Department shall have the right to liquidate such damages, through deduction from the Contractor’s invoices, in the amount equal to the damages incurred, or by direct billing to the Contractor.

The Department shall notify the Contractor in writing of any claim for liquidated damages pursuant to this section within thirty (30) Calendar Days after the Contractor’s failure to perform in accordance with the terms and conditions of this Contract.

Notwithstanding the foregoing language, when necessary the Department will identify in the RFP specific financial penalties for failure of the Contractor to meet performance standards and guarantees that may be set forth in the RFP.

13.0 CONTRACT DISPUTE RESOLUTION: In the event of any dispute or disagreement between the parties under this Contract, whether with respect to the interpretation of any provision of this Contract, or with respect to the performance of either party hereto, except for breach of Contractor’s intellectual property rights, each party shall appoint a representative to meet for the purpose of endeavoring to resolve such dispute or negotiate for and adjustment to such provision.

Contractor shall continue without delay to carry out all its responsibilities under this Contract which are not affected by the dispute. Should Contractor fail to perform its responsibilities under this Contract that are not affected by the dispute without delay, and any and all additional costs incurred by Contractor and ETF as a result of such failure to proceed shall be borne by Contractor and Contractor shall not make any claim against ETF for such costs. ETF’s non-payment of fees in breach of this Contract that are overdue by sixty (60) days is a dispute that will always be considered to affect Contractor’s responsibilities.

No legal action of any kind, except for the seeking of equitable relief in the case of the public’s health, safety or welfare, may begin in regard to the dispute until this dispute resolution procedure has been elevated to the Contractor’s highest executive authority and the equivalent executive authority within the Department, and either of the representatives in good faith concludes, after a good faith attempt to resolve the dispute, that amicable resolution through continued negotiation of the matter at issue does not appear likely.

The party believing itself aggrieved (the “Invoking Party”) shall call for progressive management involvement in the dispute negotiation by delivering written notice to the other party. Such notice shall be without prejudice to the Invoking Party’s right to any other remedy permitted by this Contract. After such notice, the parties shall use all reasonable efforts to arrange personal meetings and/or telephone conferences as needed, at mutually convenient times and places, between authorized negotiators for the parties at the following successive management levels, each of which shall have a period of allotted time as specified below which to attempt to resolve the dispute:

If the Third Level parties cannot resolve the issue within thirty (30) business days of the Invoking Party’s original notice, then the issue shall be designated as a dispute at the discretion of the Invoking Party and, if so, shall be resolved in accordance with the section below. The time periods herein are in addition to those periods for a party to cure provided elsewhere in this Contract, and do not apply to claims for equitable relief (e.g., injunction to prevent disclosure of Confidential Information). The Department may withhold payments on disputed items pending resolution of the dispute.

14.0 CONTROLLING LAW: All questions as to the execution, validity, interpretation, construction and performance of this Contract shall be construed in accordance with the laws of the State of Wisconsin, without regard to any conflicts of laws or choice of law principles. Any court proceeding arising or related to this Contract or a party’s obligations hereunder shall be exclusively brought and exclusively maintained in the State of Wisconsin, Dane County Circuit Court, or in the District Court of the United States Western District (if jurisdiction is proper in federal court), or upon appeal to the appellate courts of corresponding jurisdiction, and Contractor hereby consents to the exclusive jurisdiction and exclusive venue therein and waives any right to object to such jurisdiction or venue. To the extent that in any jurisdiction Contractor may now or hereafter be entitled to claim for itself or its assets immunity from suit, execution, attachment (before or after judgment) or other legal process, Contractor, to the extent it may effectively do so, irrevocably agrees not to claim, and it hereby waives, the same.

15.0 RIGHT TO SUSPEND OPERATIONS: If, at any time during the period of this Contract, the Department determines that the best interest of the Department or its governing boards would be best served by the Contractor's temporarily holding of all Services, the Department will promptly notify the Contractor. Upon receipt of such notice, the Contractor shall suspend all Services.

16.0 TERMINATION OF THIS CONTRACT: The Department may terminate this Contract at any time at its sole discretion by delivering one-hundred eighty (180) Calendar Days written notice to the Contractor.

Upon termination, the Department’s liability shall be limited to the prorated cost of the Services performed as of the date of termination plus expenses incurred with the prior written approval of the Department.

If the Contractor terminates this Contract, it shall refund all payments made hereunder by the Department to the Contractor for work not completed or not accepted by the Department. Such termination shall require written notice to that effect to be delivered by the Contractor to the Department not less than one-hundred eighty (180) Calendar Days prior to said termination.

Upon any termination of this Contract, the Contractor shall perform the Services specified in a transition plan if so requested by the Department; provided, however, that except as expressly set forth otherwise herein, the Contractor shall not be obligated to perform such Services unless all amounts due to the Contractor under this Contract, including payment for the transition Services, have been paid. Failure of the Contractor to comply with a transition plan upon request and upon payment shall constitute a separate breach for which the Contractor shall be liable.

Upon the expiration or termination for any reason, each party shall be released from all obligations to the other arising after the expiration date or termination date, except for those that by their terms survive such termination or expiration.

17.0 TERMINATION FOR CAUSE: If the Contractor fails to perform any material requirement of this Contract, breaches any material requirement of this Contract, or if the Contractor’s full and satisfactory performance of this Contract is substantially endangered, the Department may terminate this Contract. Before terminating this Contract, the Department shall give written notice of its intent to terminate to Contractor after a thirty (30) Day written notice and cure period.

The State of Wisconsin reserves the right to cancel this Contract in whole or in part without penalty in one (1) or more of the following occurrences:

1. If the Contractor intentionally furnished any statement, representation, warranty, or certification in connection with its Proposal which is materially false, incorrect, or incomplete;

3. Incurs a delinquent Wisconsin tax liability;

5. Is presently identified on the list of parties excluded from State of Wisconsin procurement and non-procurement Contracts;
Department Terms and Conditions

18.0 REMEDIES OF THE STATE: The State of Wisconsin shall be free to invoke any and all remedies permitted under Wisconsin law. In particular, if the Contractor fails to perform as specified in this Contract, the State of Wisconsin may issue a written notice of default providing for at least a seven (7) Business Day period in which the Contractor shall have an opportunity to cure, provided that cure is possible, feasible, and approved in writing by the State of Wisconsin. Time allowed for cure of a default shall not diminish or eliminate the Contractor’s liability. If the default remains, after opportunity to cure, then the State of Wisconsin may: (1) exercise any remedy provided in law or in equity or (2) terminate Contractor’s Services.

If the Contractor fails to remedy any delay or other problem in its performance of this Contract after receiving reasonable notice from the State of Wisconsin to do so, the Contractor shall reimburse the State of Wisconsin for all reasonable costs incurred as a direct consequence of the Contractor’s delay, action, or inaction.

In case of failure to deliver Services in accordance with or Services from other sources as necessary, Contractor shall be responsible for the additional cost, including purchase price and administrative fees. This remedy shall be in addition to any other legal remedies available to the State of Wisconsin.

Further, this certificate shall designate the State of Wisconsin Employee Trust Funds and its affiliated boards as additional insured parties. The Department reserves the right to require higher or lower limits where warranted.

The Contractor shall not use it for any purpose other than carrying out the work described in this Contract.

The Department will be furnished without additional charge all data, models, information, reports, and other materials associated with and generated under this Contract by the Contractor.

The Department shall solely own all customized software, documents, and other materials developed under this Contract. Use of such software, documents, and materials by the Contractor shall only be with the prior written approval of the Department.
