### IMPORTANT NOTICE

The following **bolded** areas of your Standard Plan medical benefit booklet (ET-2112) have been amended as indicated below:

DEFINITIONS, page 19.

**SELF-ADMINISTERED INJECTABLE** means an injectable that can be safely self-administered by a layperson. This does not include those drugs delivered via IM (intramuscular), IV (intravenous) or IA (intraarterial) injections or any drug administered through infusion.

Change Medicare Plus \$100,000 to **Medicare Plus \$1,000,000** within the benefit booklet.

Page 46, 4. is omitted in it's entirety and replaced with the following:  
The **aggregate lifetime** maximum benefit **limit** of this coverage for **BENEFITS paid for covered CHARGES for SERVICES and supplies is \$1,000,000** which is in addition to BENEFITS paid by MEDICARE.

General Exclusions, page 50

37. is omitted in it's entirety and replaced with the following:  
**Charges for injectable medications. Except for Self-Administered injectable medications; and injectable and infusible medications administered during home care, office setting, confinement, emergency room visit or urgent care setting.**
