

State of Wisconsin
**Group Health Insurance
Fact Sheet 2016**

The State of Wisconsin Group Health Insurance Program is an employer-sponsored program offering group health coverage to employees of state agencies, UW System, UW Hospital & Clinics Authority, and participating local government employers. Employees may choose between self-insured health plans and the It's Your Choice (IYC) health plans. These plans include health maintenance organizations (HMOs, which have a specific provider network), and preferred provider organization plans (PPOs, which have a specific provider network but also have a higher-cost, out-of-network option). Each health plan also has a high deductible option, referred to as a High Deductible Health Plan (HDHP).

Program Review

- Created by Chapter 40 of the Wisconsin Statutes.
- The Department of Employee Trust Funds and the Group Insurance Board (GIB) have statutory authority for program administration and oversight [Wis. Stat. § 15.165 (2) and 40.03 (6)]. All health plans follow GIB guidelines for eligibility and program requirements. The alternate health plans offer a prescribed benefit package called Uniform Benefits and participate in a yearly competitive premium rates bid process.
- The IYC Access Health Plan and State Maintenance Plan (SMP) are self-insured by the Trust Fund and administered by WPS Health Insurance. SMP offers Uniform Benefits and is available in counties without a qualified alternate plan.
- All pharmacy benefits are self-insured by the Trust Fund and administered by Navitus Health Solutions. This includes providing Medicare Part D benefits through an Employer Group Waiver Plan for both the state and local government employee programs.

Health Insurance Choices

Active employees:

- Employees can choose from 18 health plans in 28 service areas. This includes two self-insured plan options (IYC Access Health Plan and SMP), and one PPO option (WEA Trust). Each plan offers an HDHP as well.

Retirees:

- Same health plans and service areas, including one Medicare Advantage Plan (Humana). Members enrolled in the IYC Access Health Plan or SMP switch to Medicare Plus on Medicare-effective date. Retirees enrolled in Medicare are not eligible to elect an HDHP.
