RE: **ADDENDUM No. 1**  
**Request for Information (RFI) ETF0028**  
**Pharmacy Benefit Management Services**

Please note the following updates to the referenced RFI above:

1. **ADD** the following answers by ETF to questions submitted by Vendors.

No.	Question
Q1	Upon initial review of the RFI, we have a question regarding the 40-page limit: does this limit also include the required sample contract?
A1	<p>A copy of the Vendor's standard agreement or contract including company terms and conditions shall not be included in the 40 page limit as indicated in Section 3. Only the answers to the questions listed in Section 3 shall be limited to 40 pages, single spaced, which includes exhibits, examples and other attachments. "Other attachments" in the last sentence refers to attachments that the vendor wants ETF to view when answering or referencing an answer to a question within Section 3.</p> <p>ETF is also requesting that the vendor's standard agreement or contract including company terms and conditions be appended as the last attachment to the response submitted by the vendor.</p>
Q2	I was provided notification and wanted to clarify if this PBM was specific to workers compensation or employee health care.
A2	This RFI is specific to employee and retiree health care.

This Addendum will be available on ETF's Extranet in the near future at <http://etfextranet.it.state.wi.us/etf/internet/RFI/rfp.html>.
